

SSL-TLS VPN *Certificate*

Presented this 19th day of September 2018 to

Array Networks, Inc.

AVX Series Platform – Virtual Secure Access Gateway

ICSA Labs is pleased to announce that the family of products named above attained certification following rigorous and thorough testing in the ICSA Labs SSL-TLS VPN Certification Testing Program.

A model from the family was recently tested against the requirements in version 4.0 of the ICSA Labs SSL-TLS VPN Testing Criteria.

At least one model from the family named above remains continuously deployed at ICSA Labs where it may be subjected to ongoing testing.

Sebastien Mazas, General Manager, ICSA Labs

Barring decertification during continued testing, this certificate is valid through April 29, 2021

Certificate number: 181010R00

1000 Bent Creek Boulevard, Suite 200, Mechanicsburg, PA 17050, USA
